PRODUCT HIGHLIGHTS

# SUPERIOR TRACTION AND COMFORT IN ALL SEASONS

Highway all-season tire for LT and SUV owners looking at year-round capabilities.

## BENEFITS

- Excellent grip in dry and wet conditions with light snow mobility.
- Quiet and comfortable.
- Exceptional tread life.

## FEATURES

- Shorter stopping in all weather conditions, including snow.
- Superb acoustic comfort, smooth ride with a high damping rate.
- 70K miles warranty on PCT sizes with UTQG 700 AA. 50k miles warranty on LT sizes.

UTQG Warranty P Type: 700 70k Mile Warranty LT Type: 50K Mile Warranty

## DNA OF THE PINZA

Premium Traction and comfort in all seasons.

## ADVANCED TECHNOLOGY

- High traction compound with performance-enhancing materials for shorter braking distance in all temperatures.
- Specially designed evacuation grooves for quick removal of water from the contact patch.
- Full-depth interlocking 3D sipes technology to reduce deformation of tread block improves the tread wear resistance and retains the performance throughout life.
- Optimized pitch sequence that reduces noise when driving in the city or on the highway.
- Engineered construction to provide enhanced damping on rough roads.
- Full-depth interlocking 3D sipe technology reduces deformation of the tread block and improves the tread wear resistance, retaining the performance throughout life.
