PRODUCT HIGHLIGHTS

SUPERB HANDLING PERFORMANCE —

ULTRAC VORTI

BENEFITS

- Enjoy driving in the rain
- Steer with certainty
- Corner with confidence

UTQG RATINGS

320 AA A

FEATURES

- Superb wet braking and excellent hydroplaning resistance
- Terrific dry and wet handling
- Confident control on dry and wet roads

MAXIMUM PERFORMANCE FOR YOUR SPORTS CAR

ULTRAC VORTI R

BENEFITS

- Control the power
- Precise steering
- Stops on a dime!

UTQG RATINGS

320 AA A

FEATURES

- Terrific dry and wet handling
- High level of control during cornering
- Superb wet braking and excellent dry braking and hydroplaning resistance

Vorti, Vorti R and the Vredestein wordmark are individually registered trademarks of Apollo Vredestein in the USA and other countries.

ADVANCED TECHNOLOGY

ULTRAC VORTI

- High traction tread compound amplifies grip both on wet and dry roads
- Stiffness optimized tread block to provide stability during braking
- Stable center rib for steering precision
- Stiff and solid outer shoulders for quick steering
- Dedicated rear axle version : optimum balance between grip and stability on rear axle
- Front axle dimensions are designed with lower belt angle while rear axle dimensions are designed with wider belt angle for better stability

ULTRAC VORTI R

- Front axle dimensions are designed with wide circumferential groove for efficient water drainage on wet roads
- Rear axle dimensions tread pattern stiffness is optimized for maximum stability during sharp cornering
- Longitudinal grooves with slanting sides delivers control during cornering
- Excellent grip of tread compound offers good traction with road during high speed cornering
- Tire contour is designed for minimized deformation during cornering
